****Enrollment figures obtained through Infinite Campus and verified w/each school.**

***We feed all students that wish to participate in the meal program at SPRP and receive reimbursement accordingly. The enrollment of any RSU 34 resident attending SPRP is reflected in the enrollment of the RSU 34 schools they would attend if not at SPRP. There were four RSU residents enrolled at SPRP in September. All four of those students qualified for meal benefits.**

AVERAGE DAILY PARTICIPATION **(NOVEMBER 2011)**

Breakfast Meals Served: 161 per day or 11.09% of students attending all schools (128 free, 18 paid, 15 reduced)

Lunch Meals Served: 754 per day or 50.54% of students attending all schools (439 free, 240 paid, 75 reduced)

COMMODITIES

On the 1st of December we were offered and accepted the following USDA items for delivery in January: American cheese, fruit mix, salsa, frozen strawberries, diced peaches and pears, peas, dried fruit mix, raisins, beef patties, and fresh pears.

FRESH FRUIT AND VEGETABLE PROGRAM AT OTES

Offerings for the month of November and into the first part of December have included: tangerines, pomegranates, pineapple, Red Delicious apples, rutabaga, carrot sticks with fat free dip, ginger root, grape tomatoes, pink grapefruit, celery sticks with fat free dip, fresh garlic, navel oranges and Brussels sprouts.

SERVSAFE

In November our two newest employees took the ServSafe class in Bangor. The class was taught by an instructor certified through the Maine Restaurant Association. I am proud to share with you that both staff members did a great job and passed with flying colors. There are now fifteen staff members who are certified into either June or November of 2016.

PROGRAM REVIEW

On December 6th and 7th Gail Lombardi from Augusta came to review our meal program. I am pleased to report that all is well with the program and thank the Food Service staff, teachers, administrators and janitorial staff who provide a helping hand each day. It couldn't be done without them all!
