**\*\*Enrollment figures obtained through Infinite Campus and verified w/each school.**

**\*We feed all students that wish to participate in the meal program at SPRP and receive reimbursement accordingly. The enrollment of any RSU 34 resident attending SPRP is reflected in the enrollment of the RSU 34 schools they would attend if not at SPRP. There were four RSU residents enrolled at SPRP in September. All four of those students qualified for meal benefits.**

### **AVERAGE DAILY PARTICIPATION** **(OCTOBER 2011)**

**Breakfast Meals Served: 159 per day or 10.91% of students attending all schools (128 free, 15 paid, 16 reduced)**

**Lunch Meals Served: 725 per day or 49.76% of students attending all schools (424 free, 229 paid, 72 reduced)**

### **COMMODITIES**

**On the 1st of November we were offered and accepted the following USDA items for delivery in December: beef crumbles, American cheese, fruit mix, peas, whole wheat macaroni, turkey roasts, deli turkey, raisins and salsa.**

### **VERIFICATION**

**The yearly verification process for auditing meal applications has ended. Two households did not respond even after contact was made to remind families that information was needed prior to the deadline date. As a result, the status of four students changed to full pay. Those two families may reapply at any time during the school year. Should they again qualify we are still required to reopen the verification process and request information from those families. The verification result summary is due in Augusta by November 20<sup>th</sup>.**

## FRESH FRUIT AND VEGETABLE PROGRAM AT OTES

Offerings for the month of October and into the first part of November have included: grapes, carrots sticks with fat free dip, pineapple (a student favorite that may be offered regularly), kiwi, fresh cranberries, red and yellow pepper strips with fat free dip, Gala apples, parsnips and fruit platters that included several melon varieties, pineapple, grapes, apples, blueberries and mango.
