October 1st Enrollment

Professional Development/Updates

- ✓ K-12 Special Education Staff participated in training to learn how to administer the WIAT III Tests of Achievement. Further training will be provided to address questions and scoring of practice administrations.
- ✓ RSU #34 has four staff members that are participating in the Autism Training Modules as part of the grant received by SPRPCE. This is the final year for the grant. Discussions have begun on how to continue this training for staff in the region.
- ✓ Loretta and I participated in a training provided by Lee Anne Larsen from the Department of Education. The training focused on the Common Core State Standards for English Language Arts. She provided a wealth of information and resources to use as the Common Core Standards are rolled out in Maine.
