

OLD TOWN PTC AUG. 25, 2011

An update on the fundraising efforts from Danielle is that all is on track for the fall. Brandi Folsom has been looking into ideas and has pursued some viable opportunities.

P.I.E. update from Jen:

The River Coalition has received more funding to help with healthy lifestyles week this year. There will be a 5-2-1-0 group that involves the teachers and the ptc. The children will be receiving a fruit or veg. snack each day at school, k-2 on Mon., Wed. and Friday and 3-5 on Tues. and Thursday. The K-kids group will also be involved in the distribution of this yummy snack.

The k-kids may also help with the preparation work for the box tops this year (Brenda Jackson and Kristy St.Peter).

We have approximately \$15,500.00 in the ptc account. We are hoping to have more accountability this year on transactions going in and out. Money for individual items spent and money raised from individual fundraisers haven't been clearly itemized for the budget books and for the account. Hopefully we can get a system in place to help. Having request forms for all money spent may be beneficial.

Spaghetti Dinner Update:

Sam Downs is willing to help once again with the dinner on Sept.15. Jeanna is willing to get the food items from Sam's Club. The price for the dinner will be \$10.00 once again. Volunteers for set-up, during the meal and the clean up time are needed. Please let Danielle or Jeanna know as soon as possible.

We will be raffling baskets this year during the spaghetti supper. There will be a book/back to school basket, U Maine Sports basket, O.T. Coyotes basket, family games basket, Halloween basket and movie/pizza basket. If anyone can help with these baskets please let Danielle know and bring items to the school office.

Student handbooks are being put together in the office this week, I believe on Wed and Thursday. If you can help out please call the office for the times that would be most helpful.

Riverfest Update:

Lisa Harvey has been busy getting connections for this date which is September 24. The ptc will have a booth that consists of popcorn and water for sale. We are looking into ordering school t-shirts (possibly Betsy in the office could help with this). There are left over school magnets and old school design blocks to be sold as well. Volunteers will be needed throughout the day to cover the table. The school banner and ptc banner will be displayed at the booth.

There has been an opportunity for a new sign for the school. Bangor Savings Bank would like to share our space where the sign is currently at the entrance of the road; therefore they would like to pay for our new sign that would go up with theirs. This is also an opportunity to get a scrolling electronic sign for the school; however we would need to come up with these funds ourselves. Would the ptc like to help in this venture and how would we fund this? We have a short amount of time to work on this opportunity with the bank so ideas and opinions are welcome. It was brought up that possibly sponsors in town may like to help if their names are displayed somehow.

THE NEXT PTC MEETING WILL BE SEPT. 8TH AT 6:00.

Hope to see everyone there and please invite a friend to come along.
